

Hi Everyone:

AA is now doing meetings at Avenues Treatment Center (formerly Carol Porto) on Tuesdays, Saturdays, and Sundays. If anyone is interested in volunteering, please have them contact me at (301) 325-2436.

The Tuesday and Saturday meetings are at 6:00PM and the Sunday meetings are at 4:00PM. We are doing only the second, fourth, and fifth Sundays - we are doing every Tuesday and Saturday.

We still need volunteers (individuals or groups) to make a commitment to doing one meeting a month on the following days.

- Second, Third, Fourth, and Fifth Saturday
- Fourth Sunday

Avenues prefers meetings to be brought in to the facility in person but Zoom is also an option. I did a Zoom meeting with Chuck G a couple of weeks ago and it went well.

Volunteers have to do the following:

- Fill out Contact Tracing Form
- Wear masks. Residents may or may not. Residents know they should maintain 6 foot social distance.
- Wash hands upon entry.
- Allow temperature to be taken on entry.
- Fill out Covid questionnaire.
- Please make sure when speakers bring in former clients that they have over 12 months and completed the program successfully it is policy thank you

Thanks.
